Can I remain anonymous at re-origin?

Community and Engagement · https://www.re-origin.com/support/can-i-remain-anonymous

Yes, you can absolutely remain anonymous at re-origin.

You’re free to choose how much (or how little) you share. Many members use just their first name or a nickname and you’re never required to post or engage publicly unless you feel comfortable.

The community is private and made up of people who understand what you’re going through, so it’s designed to feel safe, supportive, and judgment-free at every stage.

Do I have to participate in the community?

No participation is completely optional. You can engage as much or as little as feels right for you.

Can I change my name or profile details?

Yes, you can choose how your name appears and update your profile at any time.
