How do I create an account at www.re-origin.com?

Account and Access · https://www.re-origin.com/support/create-re-origin-account

Creating a re-origin account is simple and usually happens automatically when you get started with the program.

How to create a re-origin account

When you make your first purchase on **www.re-origin.com**, you will be prompted to create an account using your email address and password.

Once completed, you can log in anytime via:
www.re-origin.com/my-account

Already a member but can’t access your account?

If you joined re-origin before February 19th, 2025, your account may have already been created for you.

To access it:

1. Go to the login page
2. Click **“Lost your password?”**
3. Enter the email associated with your membership
4. Follow the instructions to set your password

Still having trouble?

If you’re unable to access your account:

- Double-check you’re using the correct email address

- Try resetting your password again
- Check your spam or junk folder

If you still can’t log in, contact **support@re-origin.com** and our team will help you get set up.

Do I need to create a re-origin account before purchasing?

No, your account is created during your first purchase. You’ll be guided through the setup process automatically.

Why can’t I access my re-origin account?

This is usually because your password hasn’t been set yet or you’re using the wrong email. Try resetting your password or contact support for help.
