How do I change my email address at re-origin?

Account and Access · https://www.re-origin.com/support/how-to-change-my-email-address-re-origin

Step-by-step: how to change your email address on re-origin

1. Log in to your re-origin account at www.re-origin.com
2. Go to **My Account**
3. Click on **Account Details**
4. Enter your new email address
5. Save your changes

You may be asked to confirm your new email address via a verification email. Be sure to check your inbox (and spam folder) to complete the update.

Keeping your email address up to date ensures you continue to receive important updates about your re-origin membership, program access, and community notifications.

If you run into any issues or no longer have access to your original email, please contact **support@re-origin.com** and our team will assist you.

Can I change my email address on re-origin if I can’t access my old email?

Yes. If you no longer have access to your current email address, contact support@re-origin.com and we can help update your account securely.

Why should I keep my email address updated on re-origin?

Your email address is used for login, account notifications, and program updates. Keeping it current ensures uninterrupted access to your re-origin account and community.
