Can I Join re-origin from Europe or Australia? (Global Access Explained)

Community and Engagement · https://www.re-origin.com/support/joining-re-origin-in-europe-or-australia

Yes — you can join **re-origin from Europe, Australia, or anywhere in the world**.

Our program is fully online, making it accessible globally regardless of your location.

How re-origin works internationally

re-origin is designed to be flexible and self-paced, so you can:

- Access all program content online at any time
- Learn at your own pace, wherever you are
- Fit the program around your schedule and time zone

What about time zones?

We support a global community, and our live sessions are scheduled at a range of times to accommodate different regions.

If you can’t attend live:

- All Q&A sessions and workshops are recorded
- You can watch them anytime, at your convenience

Global community support

We have members from across Europe, Australia, the US, and beyond. This creates a diverse, supportive environment where you can connect with others on a similar journey—no matter where you’re based.

Is re-origin available worldwide?

Yes, re-origin is fully online and available globally. You can join from any country and access all materials remotely.

Do I need to attend live sessions in my time zone?

No. While live sessions are offered at various times, all sessions are recorded so you can watch them whenever it suits you.
