What is My Account at re-origin?

Account and Access · https://www.re-origin.com/support/what-is-my-account-re-origin

Your **re-origin account** (also called *“My Account”*) is your personal dashboard where you can manage your membership, access purchases, and update your details.

What is My Account on re-origin?

The **My Account** area is a secure section of the website where you can:

- Manage your subscription and billing
- View your order history
- Update your email, password, and payment details
- Access members-only products and services

You can access your account anytime at:
www.re-origin.com/my-account

What can I do inside My Account?

Once logged in, you’ll be able to:

- Check your subscription status and renewal details
- Update your payment method
- View past purchases and invoices
- Manage your personal information

This is the main place to manage everything related to your re-origin membership.

Important: Website vs Community account

Your **re-origin website account** is different from your **community (Mighty Networks) account**.

- The website account is for billing, purchases, and account settings
- The community is where you access coaching, groups, and discussions

You may use the same email for both, but they are managed separately.

Members-only access

Some features within **My Account** are only available to active members, including access to additional products and services.

Where do I find My Account on re-origin?

ou can access it at www.re-origin.com/my-account
or by clicking “Account” in the website header.

Is My Account the same as the re-origin community login?

No, they are separate. Your website account manages billing and details, while the community account is for accessing coaching and group spaces.
