What results have people experienced using re-origin’s neuroplasticity training?

Conditions and Effectiveness · https://www.re-origin.com/support/what-results-have-people-experienced-using-re-origins-neuroplasticity-training-2

People on the re-origin program generally report a dramatic reduction in anxiety, depression, and physical symptoms in as little as two weeks and are able to sustain their progress more easily with the help of the supporting community and group coaching Momentum Sessions.
